Information Session on Becoming a CVA
Zoom
11:00 AM - 12:00 PM MST
Take the next step in your career as a leader of volunteers and obtain a Certification in Volunteer Administration (CVA).
Leaders in non-profit organizations and community groups increasingly understand that volunteers can be a critical resource for delivering on a mission. Effective people management and community engagement is imperative – whether they be paid or unpaid. As a result, employers expect that those individuals tasked with mobilizing and coordinating volunteer engagement demonstrate a thorough knowledge of effective practices and an understanding of how to apply that knowledge in support of real-world organizational priorities.
Certified in Volunteer Administration (CVA) is an international professional certification in the field of volunteer resources management.
During these sessions, you will learn about the CCVA, why the CVA certification may be right to you, how the exam is created, what the application, preparation, and certification process is, and when you will be ready. All the sessions have the same content and you may attend them as many times as you like. Register directly with the CCVA at - https://us06web.zoom.us/meeting/register/rnfdgre1Tumo9aqBLE-8BQ#/registration
